## How to find us

InsideVue is located in the River Wey Medical Practice on the ground floor of the Farnham Centre for Health. The Centre is part of the Farnham Hospital complex and has free patient car parking and easy access for the disabled. The surgery is sign posted in the hospital or you can ask for directions at the hospital reception located in the atrium.

### From Hale Direction

After passing through the Hale traffic lights heading towards Farnham, take the third exit at the “Six Bells” roundabout into Hale Road. Turn left into Manor Road at the next set of traffic lights and the hospital is located approximately 150 metres on the right.

### From Alton Direction

Take the A31 to Farnham and then continue along the Farnham Bypass (A31) to the “Shepherd and Flock” roundabout. Take the second exit following the signs for the A325 for Aldershot. At the next and much smaller roundabout go straight ahead (there is a supermarket on your right (and signs to Bagshot Lea). Take the first exit at the third roundabout (“Six Bells”) into Hale Road. Turn left into Manor Road at the next set of traffic lights and the hospital is located approximately 150 metres on the right.

### From Guildford Direction

Proceed along the Hogsback (A31) until you arrive at the “Shepherd and Flock” roundabout, make sure you are in the outer lane signposted for the A325 Aldershot. Take the exit posted as the A325 for Aldershot. At the next and much smaller roundabout go straight ahead (there is a supermarket on your right (and signs to Bagshot Lea). Take the first exit at the third roundabout (“Six Bells”) into Hale Road. Turn left into Manor Road at the next set of traffic lights and the hospital is located approximately 150 metres on the right.
