Private healthcare providers	Purpose – Personal information shared with private health care providers in order to deliver direct care to patients at the patient's request. Consent from the patient will be required to share data with Private Providers. Legal Basis – Consented and under contract between the patient and the provider
	Provider –Spire, Nuffield Health or others as agreed with the individual patient.
Texting Service	Purpose – Personal identifiable information shared with the texting service in order that text messages including appointment reminders, campaign messages related to specific patients health needs and direct messages to patients
	Legal Basis – UK GDPR Article 6 1 (b) Contract, Article 6 1 (e) Public task, Article 9 2 (h)
	Provider - e-clinic
Telephony	Purpose – InsideVue uses an internet-based telephony system. The telephone system has been commissioned to assist with the high volume and management of calls into InsideVue, which in turn will enable a better service to patients.
	Legal Basis – While there is a robust contract in place with the processor, the surgery has undertaken this service to assist with the direct care of patients in a more efficient way.
	Article 6(1)(e); "necessary in the exercise of official authority vested in the controller' And Article 9(2)(h) Health data as stated below
	Provider – NSL Telecoms

We will keep our Privacy Notice under regular review. This notice was last reviewed on 2%th May 2024

Lawful basis for processing:

The processing of personal data in the delivery of direct care and for providers' administrative purposes in this surgery and in support of direct care elsewhere is supported under the following Article 6 and 9 conditions of the UK GDPR:

- Article 6(1)(e) '...necessary for the performance of a task carried out in the public interest or in the exercise of official authority...'; and
- Article 9(2)(h) 'necessary for the purposes of preventative or occupational medicine for the assessment of the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or the management of health or social care systems and services..."
